

REQUEST FOR SUPPORT

Every 8 minutes in Ontario someone is hearing the words: “You have cancer”.

At The Princess Margaret, we want to change this statistic.

This September 7th & 8th, 5,000+ participants will be **walking 60KM** through the streets of Toronto with one common goal: **to Conquer Cancer in Our Lifetime.**

The Shoppers Drug Mart Weekend to End Women’s Cancers has raised \$133 million dollars over the past 10 years in support of clinical enhancements, critical research and survivorship programs at the Princess Margaret Cancer Centre.

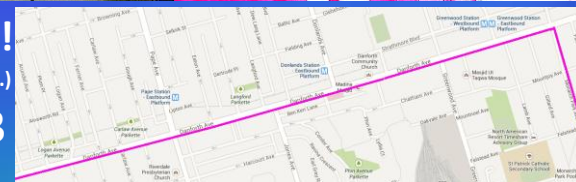

This year, we will be walking **right through Greektown!**

(Chester to Monarch Park Ave.)

DATE: Saturday September 7th, 2013

WALKER ARRIVAL: 9:30am – 12:00pm

Please help to make this year a walk they will not forget! It is a great opportunity to showcase your business, connect with over 5,000 participants and demonstrate your support for a cause that impacts so many.

Support ideas include: ‘Thank you’ signs, music, small stickers or treats, or just come out and **cheer us on!** (note: walkers collect stickers and will not usually take anything they need to carry due to distance)
