
Pape Station Temporary Closure Station Modernization

Start Date: August 19 2013*

End Date: August 30 2013*

*Timelines are subject to change, content is accurate at time of printing

Work Description & Purpose

In order to speed up the completion of construction at Pape, the station will be temporarily closed from Monday, August 19 until Friday, August 30. The station will re-open on Saturday, August 31.

During the closure, floors, stairs, finishes, ceilings, bus loop repairs and the new bus waiting area will be worked on. Elevators, bike parking and landscaping will be fully-completed in October. By December, the second exit will be completed.

Construction Impacts

Overnight work (24/7) within the station will be carried out on critical items during the closure.

TTC Service Changes

During the closure, subway trains will not stop at Pape Station. The bus diversions are as follows:

- **72 Pape:** northbound buses will operate to Broadview Station via Danforth Ave. On its return trip, it will travel north on Broadview Ave., east on Mortimer Ave., then south on Pape Ave. and back to route.
- **81 Thorncliffe Park:** buses will use Donlands Station, via Pape Ave. and Danforth Ave.
- **25 Don Mills:** buses will operate to and from Donlands Station, via Donlands Ave.

Customers who normally start their subway trip at Pape Station can board an 81 Thorncliffe Park bus across the street from the Pape Station entrance and ride to Donlands Station, or board a 72 Pape bus at the northwest corner of Danforth Ave. and Pape Ave., and ride to Broadview Station. Customers who normally end their trip at Pape Station can exit the train at Broadview Station and take a 72 Pape bus to Pape Ave., or exit at Donlands Station and take an 81 Thorncliffe Park bus to Pape Ave.
