TTC Second Exit planning and consultation process: Chester, College, Donlands, Dundas, Dundas West, Greenwood, Museum, Summerhill

November 19, 2013

7:00 p.m. – 9:00 p.m

Chester, College, Donlands, Dundas, Dundas West, Greenwood, Museum, and Summerhill subway stations are all getting second exits to improve customer safety and convenience.

As part of its commitment to modernization, TTC is bringing a fresh approach to the planning and community consultation for its Second Exit Program. A panel of third party experts has created a draft framework to guide the community and TTC in evaluating location options for Second Exits.

You are invited to an Open House to find out about the new planning and consultation process, meet the panel, and provide feedback on the draft framework.

Date: November 19, 2013

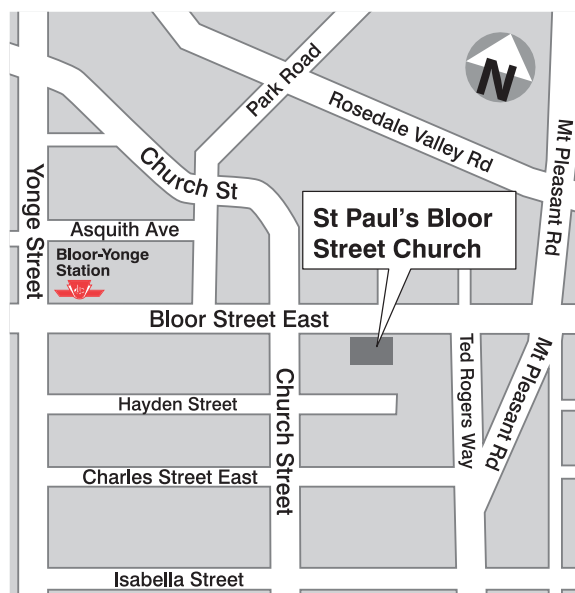

Time: 7:00 p.m. – 9:00 p.m.

Location: St. Paul's Bloor Street Church
Great Hall
227 Bloor Street East

If you cannot attend the meeting, the presentation will be posted at projects.ttc.ca along with an online form to provide feedback.
